Date: December 01, 2006
To: Western Mass Region Patrol Directors and Staff
Subject: Bylaws

As most of you will recall, proposed Region bylaws were presented by Assistant Region Director Trish Watson and me during our annual Region Officers Meeting held on October 1st. The meeting was attended by most of the Region's staff members and eight of our ten patrol directors.

After considerable discussion and review a vote was called per procedures described in the bylaws. The patrol directors present (Jim Briggs – Williams College, Tom Deam – Northfield, Mike Gagnon – Blandford, Larry Gould – Otis, Rik McClave – Jiminy Peak, Mary Ann Richardson – Notchview, Bryan Sinclair – Bousquet, John Sober – Butternut) voted unanimously to adopt the attached bylaws.

I think this is a tremendous step forward for Western Mass Region. We now have a formal road map, play book, set of rules with which to govern Region activities.

Please keep these bylaws on file in your patrol rooms and make them available to your patrollers for review. The bylaws can also be viewed on the Region's web site at www.nspwmmr.org.

Best wishes to all for a healthy and happy ski season.

Sincerely,

A handwritten signature in blue ink that reads "Fred".
